

Senior International Trade Analyst

Job ID

REQ-10075200

Mar 31, 2026

LOC_MY

About the Role

Customs and Trade Expertise

- Excellent understanding of embargoes and sanctions currently in place including screening process, potential match assessment, release or escalation
- Able to fully manage activities related to Country of Origin calculation and determination: rules of origin, insufficient workings, cumulation under the relevant Free Trade Agreements
- Accountable for the correctness of customs classification for material in scope globally
- Act as an advisor when required to Novartis business if customs classification needs further explanation or training, where the country Customs Authorities have initiated a review of the classification
- Prepare and present reports on customs and trade compliance matters
- Manage export controls including classification, management and monitoring of license application for controlled goods and/or embargo and sanction territories
- Support activities related to post-entry import and export declaration checks

Cross Functions and External Collaboration

- Act as Group Head's deputy responsible in the case of her/his absence or as required
- Collaborate within the team and Novartis businesses to achieve objectives in Customs and Trade matters

Leadership Skills

- Support manager on people management and career development
- Support the team on general CTC training and ownership of written procedures
- Onboard new joiners, regarding technical or specific International Trade matters

Communication Skills

- Effectively communicate with a variety of teams and colleagues at different level of seniority
- Advise and escalate to manager and the Global CTC function immediately of any compliance related issues
- Able to clearly explain and guide regarding complex sanctions and classification matters

- Responsibility for personal and professional development.
- Providing conditions for and control of the implementation of HSE tasks and requirements in the unit.
- Other tasks determined during the annual objectives setting process and by KPIs.
- Other tasks as assigned by the supervisor, and tasks based on a specific appointment.

Minimum 3 years of experience in customs and international trade function.

Languages:

- English.
- Mandarin
