

Principal Clinical Data Scientist

Job ID

REQ-10079058

May 29, 2026

LOC_IN

About the Role

Key Responsibilities

- Lead functional activities for medium to large-sized projects in phase I to IV clinical studies within the Novartis Global Development Organization.
- Coordinate activities of Data Managers, both internally and externally.
- Make data management decisions and propose strategies at the study or project level.
- Ensure the application of consistent data management processes, increasing standardization and documentation across assigned projects/programs.
- Provide and implement data management solutions, ensuring knowledge sharing.
- Lead process and training deliverables within multiple platforms, franchises, or therapeutic areas, developing strategies for effective training and knowledge retention.
- Represent Data Operations (DO) in all audits and inspections, centralizing and aligning the team in audit preparation, readiness, and response.

Essential Requirements

- Proven experience in clinical data management, data architecture, data governance, data integration, data profiling, data quality, data science, data strategy, and master data.
 - Strong project management skills with the ability to manage multiple tasks and projects simultaneously.
 - Cross-cultural experience and functional breadth in managing clinical data management activities.
 - Ability to recognize and resolve protocol issues that may impact database design, data validation, and analysis/reporting.
- Excellent communication and interpersonal skills to build and maintain effective working relationships with cross-functional teams.
- Proficiency in using data management tools to generate listings for data review and provide these to study teams.

Role Requirements

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

Benefits and Rewards: Learn about all the ways we'll help you thrive personally and professionally.
