About the Role

Key Responsibilities

- Develop and execute access strategies that expand patient access to priority medicines across key healthcare accounts.
- Partner with hospitals, payers, and healthcare stakeholders to secure reimbursement and formulary inclusion.
- Identify access barriers and implement effective solutions that support sustainable product uptake.
- Lead access discussions and negotiations to achieve optimal pricing, positioning, and access outcomes.
- Build trusted stakeholder relationships and generate insights that strengthen access strategies.
- Collaborate cross-functionally to deliver successful launch, lifecycle, and healthcare system readiness initiatives.
- Monitor account performance, maintain accurate reporting, and ensure compliance with all policies and regulations.

Essential Requirements

- University degree in life sciences, pharmacy, health economics, or a related discipline.
- Experience in market access, healthcare access, or a related healthcare environment.
- Proven experience working with hospitals, payers, or regional healthcare stakeholders.
- Strong understanding of healthcare systems, reimbursement pathways, and access processes.
- Demonstrated ability to influence stakeholders and lead complex negotiations.
- Excellent collaboration, execution, and compliance-focused mindset in cross-functional environments.

Desirable Requirements

- Advanced degree in health economics, healthcare management, or a related discipline.
- Experience supporting pharmaceutical product launches and market access initiatives.
