Job ID

REQ-10082597

Jul 14, 2026

LOC_CH

About the Role

Your responsibilities include but are not limited to:

- Represent GDPD in CMC sub-teams, leading device-related discussions and securing endorsement for project strategy or changes.
- Lead cross-functional project teams, acting as a single point of contact (SPOC) for all device and packaging related issues.
- Plan, manage, and control project resources, schedules, and budgets.
- Assess and negotiate internal & external resource needs on an ongoing basis. Establish and maintain a high-quality if necessary adequate documentation up to Design History File, in case of the product is a combination product for developments and LCM projects until transfer to manufacturing sites.
- Ensure compliance with internal process requirements and current regulations, including Design Control, CMC, FDA combination product regulations and ISO requirements.
- Contribute to the improvement of process and delivery technology approaches.
- Evaluate suitable device technology to support different project phases.
- Support internal and external audits on packaging and medical device related matters.
- Assist teams in regulatory dossiers preparation, including documents for medical device/combination product registration and in responding to health authority queries.

Essential Requirements:

- Master or PhD (preferred) in natural science, engineering, pharmaceutical field or equivalent.
- Minimum 2-4 years of experience in the pharmaceutical industry, preferably with experience exposure to C> and RLT and to drug-device combination product technical development including technical operations.
- Ability to work and lead a cross-functional team in a matrix environment
- Proven knowledge and track record in project and program planning and execution
- Understanding and awareness of regulatory guidelines for drug-device combination products, including relevant ISOs and current good manufacturing practices (cGMP).
- Collaborative spirit, self-driven attitude, high level of learning agility good listening skills, strategic thinker.
- Fluent in English (oral and writing) German is beneficial

Benefits & Rewards

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role: Add: CHF 93,800 to CHF 174,200

The base salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

In addition to your base salary, you may be eligible for a performance-based bonus depending on certain performance parameters.

The rewards of being part of our team go far beyond base pay and incentives. We also offer a variety of competitive benefits in kind to help you thrive personally and professionally, such as insurance plans, retirement plans, wellbeing resources and global recognition programs. In addition, we provide flexible and hybrid working options, where possible, and minimum 14 weeks paid parental leave.

Accessibility and accommodation

Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to receive more detailed information about the essential functions of a position, please send an e-mail to diversity.inclusion_ch@novartis.com and let us know the nature of your request and your contact information. Please include the job requisition number in your message.

Barrierefreiheit und Zugänglichkeit Wenn Sie aufgrund einer Erkrankung oder Behinderung spezielle Unterstützung während des Rekrutierungsprozesses brauchen und/oder deswegen detailliertere Informationen über die wesentlichen Funktionen einer Stelle benötigen, senden Sie bitte eine E-Mail an diversity.inclusion_ch@novartis.com und teilen Sie uns die Art Ihres Anliegens und Ihre Kontaktinformationen mit. Bitte vergessen Sie nicht, dabei die Referenznummer der Stellenausschreibung anzugeben
