Are you passionate about advancing pharmaceutical manufacturing through innovation and technical excellence? Join us as a Technical Steward for Aseptic Operations and play a critical role in shaping the future of aseptic manufacturing. In this position, you will serve as a key technical expert for compounding, filling, pre-filled syringes, and lyophilization technologies, ensuring robust and sustainable manufacturing processes. Working closely with local and global stakeholders, you will drive process improvements, support the implementation of new technologies, and contribute to operational excellence across our manufacturing network. If you are motivated by solving complex technical challenges, collaborating in an international environment, and making a meaningful impact on patients' lives, we invite you to join our team.

Key Responsibilities:

- Own and maintain expertise for assigned aseptic manufacturing technologies and processes.
- Serve as the subject matter expert for compounding, filling, pre-filled syringes, and lyophilization operations.
- Act as the key interface between the site, global Manufacturing Science & Technology, and Technical Development.
- Support implementation of new technologies, equipment, and global technical standards.
- Lead and support process optimization initiatives to improve process robustness and efficiency.
- Provide expert support for investigations, customer complaints, and complex technical challenges.
- Contribute technical expertise to equipment qualification, validation, and technology transfer activities.
- Drive knowledge sharing and technical capability development across functions and sites.

Essential Requirements:

- University degree in a scientific discipline, preferably Pharmacy or a related field.
- Minimum 5 years of experience in Manufacturing, Manufacturing Science and Technology, Technical Development, or Quality.
- Strong technical mindset with a solid understanding of pharmaceutical manufacturing processes.
- Ability to work independently while effectively collaborating across diverse stakeholder groups.
- Proactive and results-oriented with excellent communication and feedback skills.
- Fluent in English and committed to continuous learning and professional development.

Desirable Requirements:

- Knowledge of aseptic operations and related pharmaceutical manufacturing technologies.

We offer permanent employment with 6 months of probation period. Submit your application with the CV in Slovenian and English language.

Rewards:

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role:

32.060,00 - 59.540,00 EUR

The salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.

In addition to your base salary, you will be eligible for benefits listed below:

- Annual bonus for all employees: 12% of annual base salary.
- Holiday allowance: In 2025 it amounted to €2,496 (net). For 2026 it amounts to €2,678.28 (net).
- Yearly performance-based bonus: In 2025 it amounted to €2,538.64 (gross), including the winter allowance.
- Voluntary supplementary pension insurance: Novartis in Slovenia provides voluntary supplementary pension insurance (5.844% of gross salary, capped annually at € 3.224,18).
- Insurance: Additional accident insurance: During employment at Novartis, the employee is insured 24/7 in the event of death or disability resulting from an accident.
Specialist insurance: Group health insurance providing faster access to specialist healthcare services at Triglav Health Insurance Company d.d. for you and your family members.
- Care Connect: A program offering confidential, personalized support for mental health and well-being through therapy, counselling, tools, and more.
- Other benefits in accordance with legislation and collective agreements: Transportation, meal allowance, and other supplements.
