Are you ready to take on a pivotal role in shaping the future of one of Novartis' most important manufacturing sites?

Aseptics Ljubljana is a unique site within the Novartis network, bringing together all key technologies required for the production of aseptic medicines. As a strategic hub for the launch of innovative therapies, you will have the opportunity to help shape solutions that provide patients around the world with new treatment options.

As the Operations Lead, you will work closely with the Head of Aseptics Ljubljana and the site leadership team. Your mission will be to translate strategic priorities, operational needs, and transformation initiatives into tangible business results. From leading productivity, operational excellence, and automation projects to coordinating key stakeholders and overseeing the project portfolio, you will play a central role in driving business excellence, operational efficiency, and the site's long-term success.

Key Responsibilities:

- Translate site strategic priorities into actionable projects with measurable business impact.
- Lead and coordinate a portfolio of strategic, operational, and transformational initiatives across the site.
- Partner with the Site Head Aseptics and the Site Leadership Team on key business and operational initiatives.
- Collaborate with global functions to identify and implement continuous improvement opportunities.
- Ensure successful execution of automation, robotics, and operational excellence projects.
- Monitor project progress, manage risks, and drive corrective actions when needed.
- Establish effective governance, tracking, and reporting structures for critical programs.
- Foster a culture of continuous improvement and knowledge sharing across functions.
- Optimize the use of human, financial, and operational resources to achieve business objectives.
- Ensure compliance of business processes with regulatory requirements and Good Manufacturing Practice standards.

Essential Requirements:

- University degree in Business, Engineering, or another relevant field.
- Minimum of 5 years of experience managing cross-functional projects, programs, and change initiatives involving internal and external stakeholders.
- Excellent communication and influencing skills, with the ability to engage diverse stakeholders effectively.
- Fluent written and spoken English.

Desirable Requirements:

- Experience working with senior leadership in an international business environment.
- Knowledge of manufacturing environments, Good Manufacturing Practice (GMP), and quality systems.
- Experience in the pharmaceutical industry; familiarity with aseptic manufacturing processes is considered an advantage.

We offer permanent employment with 6 months of probation period. Submit your application with the CV in Slovenian and English language.

Rewards:

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role:

53,690.00 - 99,710.00 EUR

The salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.

In addition to your base salary, you will be eligible for benefits listed below:

- Annual bonus for all employees: 15% of annual base salary.
- Holiday allowance: In 2025 it amounted to €2,496 (net). For 2026 it amounts to €2,678.28 (net).
- Yearly performance-based bonus: In 2025 it amounted to €2,538.64 (gross), including the winter allowance.
- Voluntary supplementary pension insurance: Novartis in Slovenia provides voluntary supplementary pension insurance (5.844% of gross salary, capped annually at € 3,224.18).
- Insurance: Additional accident insurance: During employment at Novartis, the employee is insured 24/7 in the event of death or disability resulting from an accident.
Specialist insurance: Group health insurance providing faster access to specialist healthcare services at Triglav Health Insurance Company d.d. for you and your family members.
- Care Connect: A program offering confidential, personalized support for mental health and well-being through therapy, counselling, tools, and more.
- Other benefits in accordance with legislation and collective agreements: Transportation, meal allowance, and other supplements.
