NOVARTIS

Product Specialist

Job ID
REQ-10088244
Oct 29, 2026
LOC_IN

About the Role

Location-Hyderabad

Key Responsibilities:

- Drive Competitive Sales Growth
- Personalize and orchestrate customer engagement journeys for target HCPs by reflecting customer preferences, leveraging available content and multiple engagement channels
- Build engagement by working in partnership with HCPs to develop a sustained collaboration over time for Novartis
- Deliver memorable, customer-centric experiences beyond clinical differentiation by listening to their needs and understanding their healthcare environment
- Leverage available data sources to create, dynamically prioritize and adjust relevant territory, account and customer interaction plans
- Share customer insights with relevant internal stakeholders on an ongoing basis to support the development of product-and indication-related content, campaigns and interaction plans
- Deliver Value to Customers and Patients
- Collaborate compliantly with cross-functional teams to design and implement solutions that address unmet customer and patient needs
- Act with integrity and honesty by treating customers and colleagues in a transparent and respectful manner with clear intent.
- When facing ethical dilemmas, do the right thing and speak up when things don't seem right.
- Live by Novartis Code of Ethics and Values and Behaviors.
- Reporting of technical complaints / adverse events / special case scenarios related to Novartis products within 24 hours of receipt.
- Distribution of marketing samples (where applicable)

Essential Requirement:

- To be populated at local level, based on the guidance that will follow from IMI Field Engagement Performance Management Council outcomes
