About the Role

Your Key Responsibilities:

- Responsible for all statistical tasks on the assigned trials.
- Protocol development in alignment with the development plan, developing statistical analysis plan, reporting activities.
- Contribute to planning and execution of exploratory analyses and statistical consultation within your cross-functional teams.
- Initiate, drive and implement novel methods and innovative trial designs in alignment with the Lead Statistician.
- Collaborate with clinical, regulatory and other strategic functions to drive quantitative decision making in assigned indications/program with oversight.
- Collaborate cross-functionally (e.g. data management, programming, medical writing) to ensure timeliness and quality of statistical deliverables.
- Contribute to external engagement with consultants, advisory boards, health authorities, congresses, and scientific meetings

Essential Requirements:

- PhD experience preferred OR MS with extensive experience
- Fluent English (oral and written)
- Strong communication and presentation skills

Benefits & Rewards

At Novartis, we’re committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role: 57,190.00 - 106,210.00 GBP

The base salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

In addition to your base salary, you may be eligible for a performance-based bonus depending on certain performance parameters.

The rewards of being part of our team go far beyond base pay and incentives. We also offer a variety of competitive benefits in kind to help you thrive personally and professionally, such as insurance plans, retirement plans, wellbeing resources and

global recognition programs. In addition, we provide flexible and hybrid working options, where possible, and minimum 14 weeks paid parental leave.

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.

Read our brochure to learn more about our global total rewards offering:
